The Expanding Universe

May 9, 2020

Dr. Lauren Corlies

Ardis Herrold

TEEN ASTRONOMY *Café*

TEEN SCIENCE CAFÉ
NETWORK

Meet astronomers • Try computer programs astronomers use • Hear the latest news • Work with actual data

First Saturday of every month

October through December &
February through May
9:30 - 11:30am

The program is free. Please sign up for the Teen Astronomy Cafe Program to reserve your spot. Sign-up at: www.teenastronomycafe.org
An email will be sent with connection information for our first **Virtual Teen Astronomy Café**.
